**STIPULATED MOTION TO EXTEND  
DISCOVERY DEADLINE AND AMEND  
SCHEDULING ORDER**

Case No. 2:19-cv-00105-TC

Judge Tena Campbell

---

Plaintiff and Counterclaim Defendants, Smash Technology, LLC and Michael Alexander (“Plaintiffs”), and Defendant and Counterclaim Plaintiffs Smash Solutions and Jerry “J.J.” Ulrich and Defendant Feracode, LLC (collectively “Defendants”), by and through their respective counsel of record, hereby stipulate and jointly move the Court for entry of an Order amending the Scheduling Order signed by the Court on March 29, 2019 (Doc. #25). In support of this

motion, the parties state that they have been working collaboratively to exchange information in effectuating the discovery process and have completed some written discovery and are in the process of finalizing additional written discovery.

Similar to Mr. Ulrich's personal health situation at the outset of this case, which required additional time to respond to Plaintiff's complaint, Mr. Alexander has recently suffered a stroke and other related symptoms while residing in Bali, requiring hospital stays and preventing him from participating in the case at any meaningful level. The parties' counsel has met and conferred and agreed that a sixty (60) day extension of the discovery deadline (currently December 20, 2019) and other corresponding dates is appropriate. Accordingly, the parties respectfully request that the Court extend the deadlines as described below, and thereby adjust the dates under the current *Trial and Preparation for Trial* heading in the Scheduling Order to meet the needs of the Court's schedule. All other dates may remain the same.
